Related subject: Knutsford

The estates in Longridge, Shaw Heath and Manor Park have for many years been referred to as Manchester Overspill. Separating that community from the general one of Knutsford as a whole, will cause it to be NOT part of our town, to be a satellite area, to be distinct and apart. People who live in this district don't just stay in an area you wish to refer to as Knutsford North East - they access schools other than Manor Park, they shop in the town, they participate in Knutsford social activities, sports clubs and centres, they use the train station and so on. It will be interesting to know what the people who currently live in Manor Park, Longridge and Shaw Heath think about this segregation. A question, have you created an impact assessment to back up this suggestion?
