Related subject: The southern boundary of Lydford on Fosse Parish.

The Lydford on Fosse Parish Boundary on its southern side runs around Ash View Farm on the A37 (west side). This large business & residential site is distant and distinct from Lydford on Fosse Parish, and much closer to Babcary and a little closer to Keinton Mandeville parishes' main settlements. Its inclusion in Lydford on Fosse Parish is an anomaly, and Lydford PC is not able to provide effective support or oversight of matters there. This should now be addressed by adjusting the parish boundary so that Ash View Farm falls inside Babcary (or Keinton Mandeville) Parish.
