In relation to your review of the Somerset Council boundaries, may I make the following suggestion for the wider Crewkerne area

One Councillor for the parish/town of Crewkerne

One Councillor covering the parishes/villages which surround Crewkerne and which look to Crewkerne for shopping, secondary schooling and festivals (eg switching on of Christmas lights) and leisure - in particular using the town's Aqua Centre for adults and childrens swimming.

These parishes are West Crewkerne, Misterton, Merriott, Hinton St George, Haselbury Plucknett and North Perrott.

I believe that the electorate covering each of the suggested divisional areas would be very similar - approaching 5000 in each.

I write in an individual capacity but as a lifetime resident of the area. From [REDACTED] I served as a Somerset County Councillor for the Crewkerne Division
