the 10 parishes concept was a Government suggestion and therefore it would seem logical that this is the new ward boundary.

The ten parishes are: Wiveliscombe, Ashbrittle, Batheaton, Brompton Ralph, Chipstable, Waterow, Stawley, Huish, Milverton and Stawley.

Although it should be noted the Brendon Hills Parishes tend to associate more closely to Exmoor and some in the 10 parishes associate a bit more to Wellington.
