6 February 2025

## Consultation on new ward boundaries in Cumberland

Workington Town Council discussed the current consultation by the Local Government Boundary Commission at a meeting of the Finance and General Purposes Committee held on Monday 20th January 2025 and the Council wishes to submit the following for your attention.

Workington is already a warded parish, with the current ward boundaries being established via a Community Governance Review in 2019. The review resulted in a reduction in the number of wards from eleven to eight. The new ward boundaries were not coterminous with the Cumbria County Council ward boundaries in place at the time, which are the equivalent of the current Cumberland Council boundaries.

The current wards within Workington are established and well known within the local community. Therefore, the Council sees no need to alter the existing parish ward boundaries for Workington Town Council because of any changes to the Cumberland ward boundaries brought about by this Electoral Review.

The Council would request that they are consulted first on any suggestions or proposals to change the parish ward boundaries in Workington at all stages of this review.

Yours sincerely

A large black rectangular box redacting the signature of Cllr Mike Rollo.
