Many thanks for the opportunity to give my views on the proposed changes to my ward.

Your proposed changes are going to cut away several roads in my ward.

having been a councillor for over 10 years i have built up a great understanding of the needs of this area. the area is mainly older residents, who I have built up a trust and understanding for that area.

To cut away this are from my ward, this will bring confusion and a lack of trust to the older residents of the ward.

The current boundary line is a road that separates the two wards and it is very distinctive and all the resident from both wards know the boundaries and who to contact if the residents need advice or to report any problems.

I would kindly request the current boundaries stay in place for the peace of mind for the residents.

Regards

Cllr Dennis McCabe
