Good morning,

For better Councillor representation I suggest the residents of the Stainsby area move to Ayresome ward which is closer than Trimdon Ward. I have lived here for over 30 years and I feel we do not get any councillor support or direct information from Middlesbrough Council. Councillor Jackie Young is very active in her ward keeping residents up to date on council business and I feel I would be better served by moving to Ayresome. I would have to drive through Ayresome ward to get to Trimdon ward where the polling stations are, this doesnt make sense.

Best wishes,
