**Related subject:** Richmond Areas

I fully support the commissions view to move St Martins into Richmond and Colburn Moore into the Parish of Colburn .St Martins is closer to Richmond and residents in Colburn and hipswell nearby areas identify the swimming pool and the station Cafe as Richmond .

I also support the rest of the Richmond area divisions proposed by LGBCE.

I would like to note I was on the working group from the council and agreed with most of the LGBCE draft Proposals and there was not 100% agreement before the recommendations went to the North Yorkshire Executive committee.
