I am pleased with the Boundary Commisions proposal for the Upper Dales

Extending it to Carperby, Preston Under Scarr and Redmire fits perfectly with the communities of the Upper Dales

Carperby have wanted to be back in the Upper Dales since the last change. Carperby attended Aysgath Church and are joint with Aysgarth with the Cemetery and the doctors in Aysgarth where they attend.They feel more in common with the Upper Dales

Also the primary school children go to Askrigg and Bainbridge schools.

Redmire, Castle Bolton and Redmire Parish Council are members of the Central Dales Medical Practice Forum. They also have good community links with the Upper Dales with Children registered at West Burton School
