Related subject: Windermere and Bowness

The Town Council has fought for years to make Windermere and Bowness a combined unit since it reflects the sociological and geographical structure of this community. Indeed the Town Council changed its name only four years ago from "Windermere Town Council" to "Windemere and Bowness Town Council" which has resulted in a much stronger community feeling by bringing the two areas together in many different ways. Can boundary changes reflect this please?
