Dear Sir,
I have been a councillor in the Penrith East and North wards for many years.

The boundary on the town side of Penrith north works very well well and is easy to follow on the ground. Please don't change it.

If you change the boundary at this point then the whole of the Town centre will be in Penrith South.

It works well for town centre discussions to be shared by the councillors from both wards since it is used by the residents from both wards.

Best wishes
Patricia
Westmorland and Furness Councillor Penrith North.
