I really disagree with the current draft proposal to separate Weaverthorpe from the Thornton Dale and Wolds district and move it to Hunmanby. Weaverthorpe in particular shares common ground with the other Wolds villages of Helptherthorpe, Luttons. etc. Including the churches. We have nothing in common with Hunmanby as you head in that direction it all becomes more inline with seaside areas rather than Wolds valleys. I think some more though should be put into this and am yet to speak to anyone else who thinks it is a good idea.
