Re paragraph 110: Rylstone has a very rural character, interests and community. The village has strong links to Wharfedale areas and none to the mid craven area that you propose to move us to. The main access road that runs up to Wharfedale, the B6265, actually runs right through Rylstone. The village community has long standing links within Wharfedale, Upper Wharfedale rugby club, the Dales cricket team, WI, Upper Wharfedale Fell Rescue, Upper Wharfedale Young Farmers, rounders teams, Grassington bowling club etc. There are no such links with the mid craven area. Our children attend the local primary school which is part of the Upper Wharfedale Federation of schools. Villagers travel along the B 6265 for their social outings mainly to Grassington, Burnsall, Appletreewick etc. not into mid craven. Buses run up and down Wharfedale through Rylstone. In para 101 it is notable that Draughton has been specially included in Wharfedale because of its rural character and interests. Rylstone meets this criteria and has many more community links and interests with Wharfedale than Draughton. I think that Rylstone, with its centuries long association to Wharfedale, is much better suited to Wharfedale than mid craven. Please reconsider your suggestion.
