Comment text:

Having read the recent issue of Thirsk matters (with Councillor Gareth Dadd) I am concerned about the possible separation of Carlton Miniott, Sandhutton, and Kirby Wiske from Thirsk. I cannot imagine why the Boundary Commission would think it appropriate for these villages to be removed from the Thirsk boundary. I have lived in Sandhutton since 1988 and have always felt strong links with Thirsk as do the neighbours I have spoken to. When on holidays and people ask where I come from I reply "a village near Thirsk". I don't think it likely that a Councillor in the area represented by Bedale is likely to have the same interest in our village as the current Councillor representing the area. Please keep these villages within the Thirsk boundary when making your decisions.
