Related subject: Parishes of Rylstone, Hetton and Cracoe.

My wife and I (and a large number of neighbours) feel strongly that the villages of Rylstone, Hetton and Cracoe belong together within Wharfedale rather than in mid-Craven as virtually all our current and past connections are and have been with the former. These include Parish Church affairs, sporting and leisure activities, various locally established and administered charities, neighbourhood watch schemes and transport connections.
