Related subject: Upper Wharfedale

Having lived in the area for nearly 25 years with children who grew up in the area I think the idea to move Cracoe, Hetton & Rylstone out of Uppwer Wharfedale is going to have a huge effect on the Schools, sports clubs and community groups in these villages. The feeder primary schools for Upper Wharfedale school fall within the proposed villages you intend to move to a different ward. There are also numerous village and community groups which would also be linked within a different area and the local connections would be lost. The B6265 runs from Skipton all the way up to Grassington and beyond and the first 2 villages it travels through would be removed from the Upper Wharfedale area.
