Good afternoon. A number of residents have contacted me regarding the proposed name for our division - Scorton and Brompton-on-Swale. The division covers a large area and some residents will not relate to the above name being some distant from these two villages. A more appropriate name would be North Swale Villages. You have already proposed Swale and South Swale Villages for division names that encompass several villages in each case. Our division stretches from Cleasby in the north, to Great Langton-on-Swale in the south, Eryholme in the east to Easby and Brough St Giles in the West. We will appreciate it if consideration would be given to a name that better reflects the area.
