As Arlecdon, Asby, Rorwrah are key area's in the Arlecdon & Frizington Parish it should not be moved too Distington. Arlecdon is 10 min walk from Frizington and Rowrah merges into Arlecdon along with Asby they are intrinsic to the make up of our community. We are not near Distington and have no Public Transport link, or other connection to it from Arlecdon. I strongly recomend that Arlecdon remain in the Parish of Arlecdon and Frizington ward.
