Hello,

I would like to support the proposed changes to the boundary between Clatterbridge Ward and Bromborough Ward.

That part of the Ward covers the area of Spital , having been the Councillor for seventeen years it has always been difficult to explain that Spital lies within two Wards and the residents question the reason for this. People living below the railway line (i.e. Bromborough Ward ) generally shop just up the road in Spital ( Clatterbridge Ward ) the nearest shops to them ,as is the Doctors and the local pub.

I am therefore pleased the Commission has decided to go with this recommendation.

Thank you

Cherry
