## Comment text:

Good afternoon

As a Local Councillor and having seen the proposed changes to Boundaries on Wirral I am writing to provide you with my thoughts. It is very important to the people of Wirral that any changes reflect the area in which they live. Not only this but those areas are part of each person's identity.

Much thought has been given to these changes, and I do feel that you have listened to residents as well as local Councillors and that the breakdown of each Boundary is the correct one.

The report also provides a fairer spread of voting numbers within each area showing a more consistent balance.

Obviously, I cannot comment on other areas only those on Wirral.

Regards
