The Ward I represent is vast and has grown exponentially over the last couple of years with new residents moving into the SJC/1 Polling District Area. The area is part of a large but tightly knit community. I am personally very satisfied with the current Ward boundaries and I believe that separating the Ward or any part of it moving into a different Ward would not be beneficial to my residents. I think the Ward boundary for Great Sankey North & Whittle Hall should remain the same.
