Lymm often doesn't get the investment that other areas of Warrington receives. We are the furthest point out from the centre and often get forgotten about. As more houses are built, maybe we need more council representation and the boundaries moved to accommodate another councillor to represent our views more. Feels like all investment gets spent North of the river which is unfair (such as proposed closure of Stockton Heath tip). We are closer to Altrincham tip but cannot use their facilities as we pay our council tax to WBC. We split our leisure time between Altrincham and Warrington as we are in the middle of the two towns in south Lymm.
