I would like to comment on the current review of the Westbrook Ward boundary in Warrington. As a local resident, we use the Westbrook Centre for shopping, library and community services. It makes little sense for the Westbrook Centre not to be included within Westbrook Ward, along with roads to the immediate south such as Westbrook Crescent, Garwood Close, Ward Close, Blackshaw Drive and Barford Close. These roads also relate closely to the Westbrook Centre. Finally, the Ward name should be changed to 'Westbrook and Callands ' to reflect the two slightly distinct neighbourhoods within the Ward.
