**Re: Stockton Heath Parish Council response to the Boundary Commission Warrington  
Review 2025/6**

To whom it may concern,

Stockton Heath Parish Council requests that the area of Stockton Heath Parish, currently known as Stockton Heath East is brought back into the electoral ward of Stockton Heath. It is currently in the electoral ward of Grappenhall and Thelwall.

Since the last boundary changes, residents in Stockton Heath East have felt they belong neither to Grappenhall nor Stockton Heath and would prefer to be with the latter electorally.

This would also remove the very small Parish Ward, which is an anomaly compared with the other, larger Parish Wards.

Yours sincerely,

*B. Minshall*

Benn Minshall, Clerk to Stockton Heath Parish Council
