

HEREFORDSHIRE

September 2026

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 53 councillors
- 53 wards
- 1 councillor per ward

55 residents and organisations
helped shape our recommendations

We aim to make sure Herefordshire
councillors represent a similar
number of electors

Currently there are:

- Eight wards that are more than 10% away from the average number of electors per ward
- No wards that are more than 30% away from the average

From elections in 2027:

- 53 councillors
- 53 wards
- 1 councillors per ward

Herefordshire will move towards:

- Four wards being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 3,020 electors
