Having faced numerous challenges with drug dealing, counry lines and antisocial behaviour around Marygate Car Park and the rail underpass we find it frustrating having to deal with two separate wards and policing districts when tackling these issues.

Due to the size and make-up of the Guildhall Ward, the area South of Bootham to the river between Marygate and the railway line tends to be overlooked.

On the understanding that this area used to be part of the Clifton Ward - and the fact that the Clifton Ward Councillors are more interactive - we propose that this area be moved back under the Clifton Ward umbrella to facilitate local issues & challenges, along with proposals to improve our surroundings and enjoyment of our homes & lives.
