Comment text:

Related subject: Mowden/College

We have always been in College Ward in Pierremont Crescent, and it is proposed that we should move into Mowden Ward. I oppose this, because the natural boundary for Mowden is Carmel Road. We do not use the shops or services in Mowden, and our interactions are always with the area around Elton Road, Milbank road and towards Blackwell or the town centre. We would very much be outliers in the Mowden Ward.
