Dear Sir/Madam,

I have been looking at your proposed changes to the Mowden ward, in Darlington.

I am a resident (retired) in Garthorne Avenue, and spend a lot of time walking my dog around the district.

Whilst I understand and accept the need to balance populations in the different wards, I also think it is important for a ward to have natural cohesion. Accepting that Carmel College is the ward boundary, I see Hill Close and Clare Avenue as part of Mowden, but I can not accept that Pierremont Crescent and Gardens, and particularly Woodlands Road have any affiliation to Mowden. They are nearer to the Town Centre, and look that way.

You could consider where a resident, if walking, might go for a pint of beer, or milk. Pierremont would go to Town, or perhaps Cockerton. Mowden shops and Pub, are a long way down and even harder climb back up.

Thank you for considering my input

Regards
