To whom it may concern

I disagree with moving Butterfield Drive into the Hurworth ward. There is a distinct difference in location of Butterfield Drive (and the rest of the estate) to the majority of the Hurworth residents. I also believe the requirements and experiences and problems of those living on Butterfield Drive are much more closely matched with the Park East and Firthmoor residents.

I therefore believe Butterfield Drive and the rest of the estate would actually be better off being served by one of these areas and the Hurworth Ward extended in a different direction.

I say this as a resident of Butterfield Drive.

Thank you for taking your time to consider this suggestion.
