Good morning,

I would like to object to the changing of local boundaries, to include Cottage Mews, into springfield catchment area.out of Haughton.

Having lived in the area, for many years, I've associated With the Haughton Village area, its community the local rich heritage of the area.

I support local business in the area, and have no links to spring field. My other concern is the crime rate, may be higher in Springfield than Haughton, and i feel this might impact on the prices of housing in the area. In a negative way.

I hope you will take these points into consideration, before making your final decision.
