Related subject: Osbaldwick and Derwent

Currently Murton sits within Osbaldwick and Derwent ward and has close and common links with Osbaldwick, geographically, historically and socially. Osbaldwick and Murton Parochial Church Council looks after St Thomas's in Osbaldwick and St James's in Murton. Both congregations benefit from this alliance with social gatherings and shared facilities. Separation from Osbaldwick makes no sense as the two Parishes work in harmony and are well served by the current Ward Councillors
