Related subject: Tang Hall and Derwenthorpe

I think for residents on Penyghent Avenue being pulled into Tang Hall isn't a good idea. Our school catchment is Hempland. already we have local councillors very concerned with other parts of the ward and pay little attention to what's going on here. I feel that keeping us with Tang Hall and Tang Hall primary will continue that lack of focus. I also think the Derwenthorpe estate shouldn't be split up - given all the problems they have on their estate with the communal heating etc.
