Related subject: Derwenthorpe

The proposal for "Tang Hall and Derwenthorpe" only includes part of the Derwenthorpe estate.

The Derwenthorpe estate should be in one single ward.

Derwenthorpe is a great community and should not be split up and respresented by 3 councillors. The issues on the estate such as anti-social behaviour, district heating need proper focussed attention.

Derwenthorpe also has an active residents association, runs an annual Arts Fesitval and a community atmosphere. Whilst it does not have the range of amenities, such as schools, shops and sport facilities and relies on adjacent areas, this does not mean it should be treated so badly.

This proposal seems to ignore the needs of Derwenthorpe residents and I would strongly support it being changed to properly reflect what it feels like to live here.
