Related subject: Derwent Ward - Dunnington

I object to the changes being made to the Derwent Ward. I live in Dunnington which is currently in the Derwent Ward along with our close neighbours Holtby, Kexby and Murton. The proposed boundary changes to Derwent Ward are too big. To now take in Elvington, Wheldrake and Deighton is uttermadness. To take in just Elvington I can understand as Dunnington's Parish boundary borders Elvington, but Dunnington has nothing in common with Wheldrake and certainly not Deighton which is way down the A19 no where near Dunnington. Dunnington sits between the A1079 and the A166 which is what we have in common with our current close neighbours. Having 2 Ward Councillors to represent such a large proposed area is madness. I use the term represent very loosely as there is no way they can. In conclusion I am asking for the Ward Boundary to remain as it is.
