Comment text:

I live in one of the houses that would be changed wards - from Rural West York to Acomb West. I object to this. Firstly on historic grounds - I would like to see the historic boundaries respected. Secondly, I don't understand the reason given about boundaries being 'defaced'. Other than Langley Gate going up, which is well within existing boundaries so I see no need to change it. I also don't want school catchment areas affected as this directly affects our family, and will for the foreseeable future.
