Related subject: Upper Poppleton, York.

I object to the transfer of LangleyGate from Upper Poppleton to West Acomb and I'm confused as to why there is a reason valid enough for this to be put forward.

I moved from Acomb to Poppleton for a number of reasons, have I wasted mine and my families money, energy and time?
There is only Cons to being part of Acomb and only Pros of being part of Poppleton. I don't agree to this whatsoever.
