## Comment text:

There is no clear need for the change.

The area has longstanding historical ties to Poppleton. I identify more strongly with the surrounding rural area. I bought a house in Poppleton not Acomb. I prefer to remain part of a rural parish ward rather than deincorporated into a city ward.

The stated aim of the review is to balance elector numbers across (approximately 3,200 electors per councillor). However, moving our would leave Rural West York around 10% below that average.
