Related subject: Upper Poppleton

I live on Langley Gate a lovely quiet rural area. I am objecting to moving Acomb. I am strongly against this change the area has longstanding Historical ties to Poppleton. Any change in schools will have a detrimental impact on children. We bought our house in Poppleton not Acomb. We prefer to remain part of a rural parish ward rather than incorporated into a City ward. Moving from our area leaves Rural West York around 10% below elector numbers.
