Dear Sir/Madam,

I have recently been made aware the City of York Council are planning to change boundaries affecting my house. I purchased my house at Ryder Close (Langley Gate) as it is in the catchment area for Poppleton Ousebank School. It was an extremely important decision for my family to purchase this house so that my two boys can attend a well regarded and highly rated primary school. Changing the boundaries for no obvious reason will have a huge impact on the future of my children.

Residents of the Langley Gate development clearly identify with the surrounding rural area and the ties to Poppleton. Acomb has a poor reputation and is a relatively high crime urban Ward.

My family strongly urge you to consider the reasons why you are proposing to change boundaries. There is no obvious reason. Residents purchase property where they do, making very very expensive decisions and considering all aspects, especially crime and education.

We strongly oppose the proposed boundary changes and wish to remain part of Poppleton and a rural parish ward.
