Related subject: [REDACTED] Millfield lane is upper poppleton and do not accept changes to acomb

No, this is not acceptable as I only just bought the property as Upper Poppleton, the changes would massively reduce house price and could result in negative equity. Also school catchment adjustment which again has high impact. If I wanted to buy a house in Acomb I would have purchased a house in acomb. I bought as upper Poppleton and do not for see a just and fair reason to make these changes and 100% oppose this, this is mirrored by others in area.
