The proposal includes moving my house from Rural West York into Acomb West. For this, I do protest and do not want this change. I disagree with the reasons given for this change, and speaking with my neighbours who are also affected by the proposed changes, we agree. We have worked well with the Knapton and Rufforth Parish Council over the last 20 years, and do not want to lose the level of support we get from them. Changing from Rural West York to Acomb West will also affect insurance costs, due to the relatively higher crime rate in Acomb. We are not in Acomb. There are no reasonable benefits of this change for me, only negatives. It is not needed and not wanted.
