I am in agreement with the proposal for a three person ward in Fulford and Fishergate. The current northern boundary of Fulford is artificial. Residents in the Broadway area, for example, consider themselves to live in Fulford.
I support the proposal to form a new two person Heslington and University Ward. This will reflect the reality of a large number of students living in the area. The new ward will have a more coherent identity than either the current Hull Road ward or the current Fulford and Heslington ward.
