I would like to submit my objection to moving Trenchard Road from its current boundary in the parish of Rufforth and Knapton to Acomb. The small estate I live in has been very well served by the councilors of Rufforth and Knapton and I also value being part of York Outer during the elections of our MP as I feel we have more of a say than being part of York Central which we would become. Its stated that the aim of the review is to balance elector numbers, however with these changes Rural West York would still be around 10% below the average target. Therefore I see no need for our small two road estate to be moved.

Kind regards
