I like and support the proposed boundary changes.

The increase from 2 Acomb & Westfield Wards to 3 new wards reflects the growth of new builds in the area and the subsequent increase in the local population.

Living just off Foxwood Lane, for me it seems sensible to merge Woodthorpe and Foxwood into a new Ward area. It is a distinct geographical area on the western edge of York.

The proposed new Acomb wards, have clear identifiable/clear boundaries along Front Street, Carr Lane and Gale Lane, which also makes sense.
