**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Fishergate

I support Fishergate joining with Fulford as they areas are similar to each other in many ways. It makes sense for these two areas to be together in the same ward and may encourage residents to work together on local issues. Current residents may often consider themselves part of Fishergate or Fulford not realising there is a local authority bounday which affects their area.
