Organisation Name: (Member of the public)

Comment text:

Related subject: Fishergate, and Fulford, Heslington and University, Tanghall

- 1 Fulford and Fishergate are effectively one community so very supportive of a combination
- 2 Supportive also of the proposal for Heslington and University, creates a mixed and balanced demongraphy
- 3 Tanghall again a sound proposal which I support as long as long as all of Derwenthorpe is included. It'a a single community.
