Related subject: Rural West York (currently)

I do not wish to change boundaries

- * There is no clear need for the change.
 - * Moving our boundary would likely increase both our house and car insurance costs, as Rural West is seen as a less risky area than Acomb, and so would leave us worse off
 - * Our area has longstanding historical ties to Rufforth and Knapton.
 - * We identify more strongly with the surrounding rural community.
 - * The Parish Council has provided valuable support and representation.
 - * We prefer to remain part of a rural ward rather than be incorporated into a city ward.
 - * The stated aim of the review is to balance elector numbers across wards (approximately 3,200 electors per councillor). However, moving our area would still leave Rural West York around 10% below that average so why bother?
- No thank you, please leave us as we are.
