

York

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I object to having the area in which I live having it's boundary changed.

Living on the outskirts of York next to the green belt, I relate to York outer & the outlying villages than with Acomb which is further away from my residence.

Our local parish council has served my community better than an inner city ward could relate to our needs.
