At 71. The proposals say that Labour's Submission provides evidence that Hob Moor is more likely to be a divide amongst communities.

What evidence. I was born and live in this area . I am 77 years old. Who did they ask?.

72. States the distinction between Acomb and Holgate is not clear. Or understandable...To whom is it not clear?

What evidence , other than Labour's wish to thwart the wishes of Westfield's residents, is there that the distinction between Acomb and Westfield residents was neither clear or apparent?

This is purely a ploy to shift the equality of the voting to provide a benefit to Labour .
