### Comment text:

I support the submission by the Brentwood Conservative Councillor Group (see attached) to create thirteen wards each having three elected members. Key points are as follows : - Creation of a single "Brentwood Central" ward to allow three members to represent the interests of residents living in the heart of Brentwood Town Centre. - Extension of Hutton North ward to encompass the remaining section of Alexander Lane and land up to the Mountnessing roundabout. - Extension of Hutton North ward to encompass the residential areas of Hutton Burses, Great Oaks and Rayleigh Road (west). - Moving the Galleries into the same ward as Clements Park. - Incorporating Little Warley and Childerditch into the same ward as the other southern villages (i.e. Herongate, Ingrave and West Horndon). - Creation of a new Blackmore and Doddinghurst ward. - Creation of a new North West Rural ward incorporating South Weald, Navestock, Kelvedon Hatch and Stondon Massey.
